Dear Ms Pickering,

On behalf of all the staff and patients at Saint Catherine's, I would like to thank you for your kind donation of £20.00 following the Santa Dash event, we are glad to hear you enjoyed the event as much as we did.

Thanks to your generous support we can continue to offer our specialist care to patients, their families and carers. We provide symptom management, medication, therapies, personal planning and counselling but, we also take the time to listen or talk and understand each person as they make their own individual journey through life and death.

All our services are free of charge, but they do come at a price. We rely on people like you to support us so we can deliver our specialist care now and in the future.

I hope that we can continue to rely on your support. There are so many ways to stay in touch with us. Look out for further events, news, volunteering and more on our website and social media. You can find more details at the bottom of this letter.

With the warmest wishes,

R Barwick
